RHEUMATISM CAN BE CURED BY THE PROPER USE OF MYERS' EMBROCATION!

THIS sovereign and effectual remedy for that painful disease, was discovered upwards of sixty years ago by the Grand-Father of the undersigned, (a German Physician of his day) and has never been made known of his family. Its incredible cures have astonished thousands who have witnessed its power, even that disease, Unfortunate, despairing invalids, who have been bed-ridden for years, have been restored to the enjoyment of perfect health. It banishes all pain in a few days, and its efficacy is gradually realized by the patients being able to resume their usual avocations, after having suffered in tortments for months and years. The wonderful success of the EMBROCATION, in curing the worst cases of Rheumatism, has acquired for it a celebrity unprecedented, and its fame originated from its own merits.—It never has failed to cure Rheumatism, either inflammatory or chronic; and I feel safe in saying it never will if fairly tried. I pledge myself to refund the cash to any person who uses it properly without being benefited thereby. You who are afflicted may have tried every other remedy but this. Try it, and if it does not cure, it will not cost you any thing. By this rule I desire it should be used. Persons are warned to be on their guard of whom they purchase, as several mean attempts have been made to procure the name from which this medicine is prepared. The proprietor deems it his duty to say to the afflicted, that he will furnish travelling agents with written authority for depositing it.

My name is on each bottle, and none genuine unless prepared by HENRY C. MYERS, Fayette, Missouri.

EVIDENCE OF ITS EFFICACY. Read what those say of the Embrocation who have used it. A few of the hundreds who have testified can only be quoted here.

From Elders THOS. M. ALLEN and M. P. WILLS, Boone County, Mo., August 21, 1848.

This is to certify, that we have used "Myers' Embrocation" in our families with entire success, and we hereby take great pleasure in recommending it to any who may be afflicted with Rheumatism as a most sovereign remedy.

T. M. ALLEN, M. P. WILLS.

At CHILL, Ill., February 20, 1848. This is to certify that I was cured of a severe attack of Inflammatory Rheumatism, from the use of one bottle of your Embrocation, and hope every fellow-sufferer will use it, for their is no doubt but it will cure any case, however violent; this I can safely assert after using it myself.

Yours, Respectfully, DELUSSE BROWN, Fayette, Mo.

HAMPTON L. BOON, Clerk of the Supreme Court of Missouri, and Editor of the *Jefferson City Metropolitan*, speaks of the Embrocation as follows, in his paper:

We desire to call the particular attention of all persons afflicted with Rheumatism to this very valuable medicine. One bottle we believe, will cure any case, however violent.

The senior editor of this paper, during the last winter and present spring, suffered so much from Rheumatism that he was unable at times to walk or stand upon his feet, or even change his position in bed without assistance.—A part of a bottle cured him in a few days. His son was also afflicted with the same dreadful complaint, and suffered the most excruciating pain until an application of the Embrocation was made, which effected an entire cure.—Col. Minor of this city, also had a severe attack of Rheumatism this spring from which he suffered severely, and which confined him to his bed for several weeks. Nothing gave him any relief until he sent to Rochester, forty miles, and procured a bottle of this medicine, which expelled his pains almost instantly.

Mr. Myers ought to have an agent in every county in the State, with which this medicine should be deposited, for the purpose of repeating our honest conviction, for the benefit of those suffering with Rheumatism, that one bottle of this medicine will cure the most violent case that can be found.—*Metropolitan*.

BETHANY Mo., March 10, 1848. Dear Sir—At your request I called at Rochester on my return home, and got a bottle of your Embrocation; and gave it to a neighbor whose wife had been much afflicted with Rheumatism of the Chronic form for years. The effect is so self-evident, that if you see proper, you can send me 50 bottles, as I can dispose of it now that it has been tried here.

Yours, Respectfully, W. L. WATKINS.

Dr. Wistar's Balsam of Wild Cherry.

The Great Remedy for Coughs, Colds, Asthma, and all Diseases of the Lungs.

OLD VIRGINIA AGAIN. *Albion* Co. Va., March 21st, 1847. Mr. Soth W. Fowle—Dear Sir—I take pleasure in stating to you my experience in the use of Wistar's Balsam of Wild Cherry. I own a very valuable negro girl, who was attacked with a difficulty of the lungs, which brought her in appearance to the brink of the grave. I consulted some of our best Physicians, who pronounced her case incurable, or that they could do no more for her. I tried many remedies but none did her any good. I saw some account of Wistar's Balsam, and thought I would try it, but had little faith in it.—I procured a bottle, which was administered according to directions, and saw she began to mend; and before the first bottle was gone she was up. I procured a second and she took that, and now she is I think, cured, or nearly so. She attends to her daily labor, and I hear no complaint from her. R. L. JEFFERSON.

Consumptive Patients.—Will please read the following note from the *Harrison Gazette*—The incredulous are invited to read the following note from Rev. Mr. Coldron, whose character for truth and veracity is above suspicion, and have their doubts dispelled as to the superiority of Wistar's Balsam of Wild Cherry, over all other remedies now before the public of the same character.

Corydon, Ind., Jan. 28, 1848. It is no less a duty than a pleasure to state, for the benefit of the afflicted, that I consider Wistar's Balsam of Wild Cherry, a great blessing to the human race. Having tried it in a case of severe affliction of the lungs, I unhesitatingly recommend it to those similarly afflicted, as the best remedy I have ever tried, and one which cured me when physicians said I must die, and when I thought myself that my time to depart was near at hand. W. M. COLDRON.

CAUTION TO ALL.—The genuine Wistar's Balsam is encased in a fine white seal engraved wrapper, with the names of Henry Wistar, M. D., and Sanford & Park thereon. Without both these signatures, it is positively counterfeit. Do not touch it.

Orders for the true medicine may be addressed to H. BLAKESLEY & Co., South-west Corner Third and Chesnut streets, St. Louis. It is sold also by DR. SNELSON, Fayette, O. HENDERSON, Brunswick, N. & A. JOHNSON, Brunswick, MALONE & GARTH, Huntsville.

October 26, 1848. It always cures—Dr. Osgood's *Indian Chologogue*.—How astonishing is it—the suffering invalid will use palliative only, with a view to restoration of health, while lingering out weeks and even months, with that distressing, loathsome disease, Fever and Ague, when by the use of a single bottle of the Chologogue, not only the disease itself, but the cause which produced it, is completely eradicated. It is sold by Dr. Henderson, Glasgow; N. & A. Johnson, Brunswick.

PRODUCE WANTED.—We wish to purchase DRIED APPLES, BEESWAX, FEATHERS, DRY HIDES, TALLOW, BUTTER, LARD, JEANS, LINSEY, for which the highest price will be given. Glasgow, Oct. 25. **SAVAGE & CO.**

Clemen's Indian Tonic. Infallible Cure for CHILLS, or AGUE and FEVER, and a sure remedy in BILIOUS REMITTENT, and other FEVERS. THIS INVALUABLE MEDICINE IS PURELY VEGETABLE.

THE unexampled success of this truly unrivalled Tonic, in curing in a few hours, where all other remedies have failed, and that too, in cases from six months to ten years standing—warrants the assertion, that if taking according to directions, it is infallible. A long list of certificates in proof of its infallibility might be added, but those upon the subject are deemed sufficient. Try it and be convinced that it is the most pleasant, most certain, and the very BEST remedy ever offered to the public for putting a speedy termination to the Chills or Ague and Fever.

CERTIFICATES. NEAR NASHVILLE, August 18, 1848. Mr. GEO. W. HOUSE: Dear Sir—I had Chills and Fevers for twelve months; nine months of the time, without being able to check it, with all the aid I could procure from Physicians and the various Tonic Fever and Ague mixtures sold by the Drug stores. In April last I saw your advertisement of Clemen's Indian Tonic, as an infallible cure. I made no delay in calling upon you, and by using said Tonic, I found immediate relief, and a permanent cure. A friend of mine tried it about the same time, with the same happy result. Yours, respectfully, C. L. GLASSGOW.

From the *Clarksville Chronicle*, Oct. 21, 1848. Dr. T. D. SCOTT: Dear Sir—We have used Clemen's Indian Tonic in many cases of Ague and Fever, and we find it, in every particular, that it is commended to be in your advertisement. We have heretofore used most of the popular remedies in use for Fever and Ague, and we unhesitatingly recommend Clemen's Tonic to the confidence of the public, from our personal experience and observation, as a safe, certain, and prompt cure for the Ague and Fever, in any form or stage of the disease. Yours, &c. J. PEACHER, JAMES J. FRITCHETT, LEVI COLEMAN.

Extract of a letter from the Rev. P. A. OWEN of Memphis, dated Nov. 16, 1848. My Dear Sir—I have tried Clemen's Indian Tonic in six different cases, and find it efficacious in a very high degree. It arrested the chill in every instance, and as yet there has been no return. I cheerfully give this testimony, that others may be induced to use a remedy both safe and efficacious in curing chills and fever. Yours, very truly, F. A. OWEN.

NASHVILLE, June 3rd, 1844. Mr. Geo. W. House: Dear Sir—I shall not apologize in presenting the following remarkable case: A youth of about fifteen years old, living with me, had the Fever and Ague for ten years, without finding a cure; and I can assure you every means were used to that effect. In December last I tried a bottle of "CLEMEN'S INDIAN TONIC," which arrested the disease at once, and am happy to state, he has not had a chill or an ague since. You should lose no time in giving this Tonic an extensive circulation—it will prove a welcome friend and a great blessing to the afflicted. Yours, truly, JOHN H. DAVIS.

The above case is known to me, and is strictly true. For sale by Dr. Wm. R. SNELSON, Fayette, STANLEY & BUCKNER, New Franklin, W. P. RAYMOND, Glasgow, Dr. O. HENDERSON, Glasgow. July 29, 1848.—21m6

Monthly Bulletin No. 9. THE position of the Greenberg Company in its relation to the health of the community is now fully established; and the admirable series of Greenberg Medicines are everywhere taking the lead of all others. In numerous portions of the country the Medical Faculty adopt these medicines in their practice, satisfied, from ample tests, that by their use they can more certainly combat DISEASE IN ALL ITS FORMS. And not only do Physicians sanction and encourage their use, but the CLERGY, of every denomination, attest their wonderful efficacy; and in numerous ways recommend them to the people of their charge. THE LEGAL PROFESSION testify to the same thing, in short, the public at large hail the introduction of these medicines as a public blessing.

There are over TEN THOUSAND AGENCIES of the Company in the United States, which are not only profitable to the agents, but of vast benefit to the inhabitants. There should not be a single town, village, or hamlet, without its Greenberg Depot; and if this Bulletin is read where there is no agency, application should be made for one immediately.

Certificates, almost without number, are on file at the office of the Company, testifying to cures of the most astonishing kind; many of which have been fully examined by the following distinguished gentlemen: Rev. N. Bangs, D. D., Francis Hall Esq., Ex-Mayor Brady, all of New York.

The power of the Greenberg Medicines over all bilious complaints, no matter what their form or severity, is a matter of profound astonishment. Let all, therefore, who are thus afflicted, and who would cleanse the system, resort at once to the celebrated GRAEBERG VEGETABLE PILLS AND HEALTH BITTERS. At all events let them call at some one of the agents and get a pamphlet gratis, which will fully explain the whole matter.

The General Agent for Missouri, and South part of Illinois, is E. K. WOODWARD, St. Louis, to whom applications for agencies may be addressed.

Very Important to the Public. ADDISON G. BRAGG, of St. Louis, having made a foul and malicious attempt to destroy the popularity and sale of Dr. Chapman's very popular and highly esteemed medicines, by means of false and slanderous publications in the *St. Louis Sun*, and in other papers published in St. Louis, and perhaps in papers published in different parts of the country,—and having failed in his malicious intent, we know not what other means may be resorted to to accomplish this foul purpose,—but in order to guard the public against imposition we deem it our duty to inform them that we have furnished all our travelling agents with a regularly authenticated Letter of Attorney, signed with our own written signatures, and certified under seal by a Notary Public or other proper officer of St. Clair county, Illinois, and also with a copy of the Letter Testamentary, certified and sealed by the Probate Justice of the Peace of said county. Have nothing to do with any person travelling with Pills, who cannot show this evidence of their genuineness. This caution is given to prevent counterfeits.
